

## **FISCAL NOTE**

### **SB 3806 - HB 4009**

March 5, 2008

**SUMMARY OF BILL:** Expands the types of organizations and entities eligible for grants through the Center for Diabetes Prevention and Health Improvement.

#### **ESTIMATED FISCAL IMPACT:**

##### **Increase State Expenditures – Not Significant**

Assumptions:

- The eligibility requirements to receive a grant are not affected.
- The Center makes award decisions and distributes the grants accordingly.
- There will not be additional money appropriated for the Center to draw the grants from.
- Should this result in an increase in the number of entities eligible for grants, the Center could determine to reduce the amount of each individual grant to give grant funds to more entities.
